Lovely Antiqued Finish Highlights Cremona SV-225 Violin!

You've seen this finish before on fine, old violins costing thousands of dollars but never before at this affordable price point! It's yet another first from Saga to offer a fine, fully hand carved violin of select spruce and flamed maple and offer it on a warm, shaded antique finish that so closely resembles a fine, old masterpiece.

The Cremona SV-225 features hand-inlaid wood purfling and a genuine ebony fingerboard and fittings. A Cremona 3-star bridge is fitted and the entire instrument is shop-adjusted prior to shipment. The SV-225 comes complete with our J. LaSalle LB-12 bow and C-3905 hardshell shaped case. It comes in four sizes 4/4 - 1/4.
