New Moon of Kentucky Keep On Shining!

The all-new KM-700 is the newest star under that blue, Kentucky moon. Look at some of the features:

- *Hand-carved and graduated top and back*
- *Traditional nitrocellulose lacquer finish*
- *Elaborate pearl and abalone headstock inlay*
- *All solid construction*

Here's the mandolin that has it all...a big powerful tone, easy playing action and beautifully figured woods in the tradition of the finest instruments of the 1920's.
